

## Family Fun

We also offer 'Family Fun' every Wednesday morning (term time) at the Early Years Support Centre. This is a stay and play session for families and children on the Early Years Support Team caseload. At Family Fun parents can:

- Pick up helpful ideas and tips
- Meet other parents
- Have fun with a wide range of activities

Early Years Support Team

## HOME TEACHING Agreement

**Dear Parent/Carer**

**Your child has been referred to the Early Years Support Team for home teaching**

**Who are we?**

We are a team of teachers and teaching assistants specialising in working with young children who have special educational needs and/or a disability. We work with children from birth to 5 years in homes, early years settings and schools.

**What do we do in homes?**

- We will help you understand your child's development and how you can support this.
- We will teach your child through play.
- We will assess your child's development using toys.
- We will provide written reports and advice regarding your child's development.
- We will work closely with other professionals involved with the child.
- We will contribute to review meetings with you and the other professionals involved in your child's care to plan the best way to support your child's development.
- We will support your child into an early years setting or school and provide the staff with advice.

For you and your child to get the most out of the teaching session

- We will bring toys to share with your child and would like you to watch and join in the play activities.
- We will try to arrange home visits that are best for you and your child, when it is quiet and avoiding nap and meal times.
- We would ask you to switch the TV off and put tablets and mobile phones out of sight before we arrive in order to help your child concentrate on the activities we bring.
- We would ask you to try to limit the number of people present in the room (or coming or going) during the teaching session so your child is not distracted.

Please inform us if your child is unwell or you have an appointment so we are able to cancel the visit.

We are looking forward to working with your child. Your next home visit will be \_\_\_\_\_ at \_\_\_\_\_
