

Why should I join the Association for Science Education?

The Association
for Science Education
Promoting Excellence in Science Teaching and Learning

Mission:

To promote excellence in the teaching
and learning of science

Vision:

All young people are engaged in appropriate, valuable
and interesting science education.

Supported by a professional science education workforce

SCIENCE

**The Association
for Science Education**

Promoting Excellence in Science Teaching and Learning

Ideas and research to support effective practice

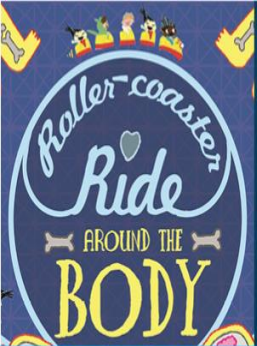

**Education in Science, International, Primary Science, Science
Teacher Education, Secondary Science**
...plus electronic newsletters

Supporting assessment in primary science

Each collection of work shows one example of how a pupil has met the National Curriculum (England) statements for a particular area

Promoting Excellence in Science Teaching and Learning

Raising professional standards

Get registered with CSciTeach, RSci and RSciTech

Professional awards that recognise your expert knowledge and commitment to science teaching and learning.

CSciTeach, RSci and RSciTech are accredited by the Science Council

Join a vibrant community of
likeminded educators

How you can get involved?

- Join now as a member
- Attend events and network
- Run events and workshops
- Write or edit articles and resources
- Stand for national committees and the ASE's National Education Group
- Contribute to debates
- Join in #ASEchat on Twitter

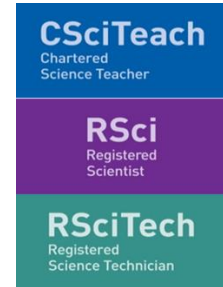

Stay in touch

- Newsletter – Sign up for **free** www.ase.org.uk/news
- Twitter
 - Follow @theASE
 - Use hashtag #ASEchat
 - Every Monday, 8 - 9pm. A weekly science education chat.
- TeachMeets - see what events are in your area

Summary – benefits of membership

- Events & Conferences – discounts
- Regular journals
- Tax relief on membership
- Public Liability Insurance £5m
- Professional Recognition available
- Discounts on book sales
- Magazine discounts e.g. BBC Focus, New Scientist, Nature
- Support the work of the ASE and have your voice

Remember your membership subscription is tax deductible!

Current membership rates

- Trainee £48 each year for 3 years *
- 11-19 £114
- Primary £90
- Technician/Associate £50
- Primary School £130
- Secondary Futures £160
- Primary Futures £140

Remember membership rates are tax deductible
