

# Batteries

## Big Battery Hunt

Take part in the **Big Battery Hunt** for your free pupil recycling boxes, school container and free battery collection service.

Use the [free downloadable resources](#) to teach your pupils that batteries take over 100 years to decompose! In fact, some parts of the batteries will stick around forever, so help us to stop those batteries entering landfill sites by encouraging your pupils to recycle their batteries. We will even provide a free battery collection service for your school and you could win some great prizes too!

### What next?

- [Register](#) your school to receive your free collection boxes. Remember there is a box for every pupil, so let us know how many pupils you have when you register.
- Introduce the challenge to your pupils using the PowerPoint and teacher notes for your very own **launch assembly**.
- Get collecting! Encourage your pupils to collect as many used batteries as possible.
- Add your collected batteries to your school container and call **0844 800 561** for a collection. This will automatically enter your school to win great prizes such as a 2-night class trip to the Sustainability Centre, a 3-year subscription to MyMaths and £2,000 worth of school equipment vouchers!

Register your school at [nationalschoolspartnership.com/initiatives/bigbatteryhunt](https://nationalschoolspartnership.com/initiatives/bigbatteryhunt)

### Happy Feet Day

a non-uniform day for your feet!

Students attend school in their choice of footwear, whilst handing over a pair of unwanted shoes that can be used again in rural Africa.

We pay 40p per kilo gram for reusable shoes, and then transport them to Africa, where they are introduced into the communities sensitively\*

We collect the shoes from school on the Happy Feet Day, so there are no storage problems. We weigh them and make swift payment.

All we ask is that the shoes are clean, paired, tied and together...

Book a date to make your feet happy!

\*Our focus is on empowering community members rather than perpetuating a dependency culture and we work with lay personnel to make this happen.

**Next collection dates in Leicester**

**Friday 8 February 2019 • Thursday 23 May 2019**

*Why not link to Living Streets' Happy Shoesday event in May?  
As we did last year, Africa's Gift will be arranging a Leicester collection day to tie in with local Happy Shoesday events.*

**We're passionate about sustainability, it's the heart of our business.** We aim to lead the way in tackling textile waste and inspire, engage and support schools, clubs, charities, community groups and business organisations to improve the impact they have on society through fundraising from textile and clothing recycling.

**'Phil' the Bag is a FREE clothing recycling initiative... Helping you raise funds from your textile recycling donations.**

At least 75% of textiles we throw away are recyclable, however, we only recycle around 25% and textiles still make up 12% of landfill sites.

Our main aim is to increase textile and clothing recycling to reduce landfill and offer a financial reward to those participating in our project.

Fun and easy fundraising!

Fun and easy fundraising for everyone!
