

**How big is your Carbon Footprint?**

**Instructions**

1. Go to [footprint.wwf.org.uk/](http://footprint.wwf.org.uk/) and click **“Take the Questionnaire”**
2. Complete each question as honestly and as accurately as you can. There are hints and facts along the way to read, so take your time.
3. Click **“finish”**. It will then ask you to put in the first part of your postcode. You can use your home or school postcode or just click skip if you prefer.
4. It will now take you to your carbon footprint. Record your results below.

**Your Carbon Footprint:**

\_\_\_\_\_ **Tonnes (on the scales)**

\_\_\_\_\_ **% of your target impact on the world**

Click on the section of the pie chart and give at least one tip

5. Click **“view full results”**, and record in the table below
