

RETHINK FOOD FUTURES

Rethink Food Futures presents the opportunity to make a difference to the health of people and the planet.

By Rethinking Food Futures we can:

- Empower children to deliver change that will benefit humanity, improve health and re-nourish the planet
- Encourage children to eat more fresh food, improving health and well-being
- Provide immersive learning opportunities for children

The Rethink Food Futures programme provides the perfect platform to connect school children with the wider food system.

Participants begin this programme as scientists, then learn to be farmers before becoming chefs and finally consumers.

MODULE 1 - EAT TO SAVE THE PLANET

Food is the key ingredient in sustainability. Help us save the planet through improved food choices.

MODULE 2 - JACK AND THE BEANSTALK

We all know the story of Jack and the Beanstalk... But whatever happened to Jack's Cow? Help solve the mystery!

MODULE 3 MISSION TO MARS

What does an astronaut eat in space? Help transport food from your tower to Mars and improve the diet of our astronaut.

£250 + VAT

RETHINK FOOD OUTCOMES

"The tower garden became a focal piece for the whole school and was often featured within assembly and celebration sessions, allowing an even wider range of children to witness what was happening and to see growth on a daily basis." Headteacher in Halifax

95% of children don't eat enough fresh produce. Research shows that children who grow their own food are FIVE times more likely to eat it.

"A fantastic experience and we are already growing more of our own because of it" Parent of Y4 Child

"This has changed me" Y3 Pupil in Rotherham

"The children really enjoyed the topic and have had many great in depth discussions about the Global Goals. Many thanks for all of this and the opportunity to be involved" Teacher in Glasgow

"It was so much fun and the end result was absolutely delicious" Y4 Pupil in Leeds

"This was a true awe and wonder experience for the whole school. A wonderful, unique experience"
Y4 Teacher in Bradford

"The children absolutely loved the sessions"
Y3 Teacher in Leeds
