

# Year 9 and Beyond Annual Review – Preparing for Adulthood

## **Before the meeting**

- 4 weeks before – students complete “Planning my Future Life” booklets with key adult. This information will feed in to all parts of the review.
- 1 week before student and key adult prepare for the review meeting together and design a PowerPoint to present in the meeting
- Use SENDIASS visuals with students who may need additional support
- Work through “Key topics to cover at annual reviews from Y9” with each student. Some of this may be done in the annual review meeting
- Invite connexions
- Look at outcomes and decide whether they need to be more specifically geared towards PfA

## **During the meeting**

Signpost to the local offer and provide the hyperlink to the City Council website display on whiteboard

*Preparing for adulthood focus*

### **Focus on Education**

Invite connexions

Explain process for careers interviews and experiences during Y10

### **Focus on Health**

Ensure parents and YP know that GP will take over and coordinate rather than a paediatrician

Give parents the health check information

Ask if they would like a referral to Transitions for Health team

### **Focus on Independent living**

Provide information about the Y project

### **Focus on Friends and community**

Refer to local offer website and where to find information about activities and community groups

Plan timeframe for next review
